June 2010

Dear Alums,

The Summer Leadership Institute planning committee has finalized plans for the July 23-24, 2010 Institute in Atlanta, GA. The Atlanta airport area was selected for convenience and easy access for alums who travel from afar. The hotel rate (\$69) is extremely economical (includes breakfast), free vehicle parking and complimentary airport shuttle service. And, I hope that alums (even in the Atlanta area) will take advantage of this great opportunity.

Expected outcome of the summer leadership institute is to be purposeful and productive. Leadership sessions will be overflowing with information that we hope will encourage, enrich and enlarge your understanding of the operation of our association.

Let me remind you of the 3 goals that I set for our association, because I believe they offer opportunities to grow for the association and to support the university:

1. Fund raising goal - \$500,000.00
2. Alumni recruitment goal - 2,500 new alumni members
3. Student recruitment goal - 1,000 college prepared students

I also stated on last year when I became your president that I am committed to working for you, that continues. Likewise, I need your commitment to work on behalf of our beloved alma mater - Savannah State University. Each of us can make a difference for SSU and in the lives of present and future students.

We simply can not continue to operate our Association and advocate for our beloved alma mater without your continued commitment and involvement (volunteer time and resources).

Please make your reservations at the hotel by July 9, 2009 and return your registration form by July 15, 2010. Thank you.

Sincerely,

Roy L. Jackson, President
