

HOMECOMING 2025

SOUVENIR BOOKLET SPONSORS AND ADS SHEET

Dear Alumni and Friends:

Homecoming Celebration at SSU is right around the corner (October 23-26). The theme this year is, **“The Show- Savannah Homecoming on the Water”**. This is the 135th celebration of the founding of our beloved alma mater, SSU (GSIC, GSC, SSC). Georgia State Industrial College For Black Youth was founded in Athens Georgia in Baxter Street School Building, October 1890 and relocated to Savannah Georgia in 1891. This year we are producing a full color, digital alumni homecoming souvenir booklet and we want it to be “memorable”. This cannot happen without you. The entire Savannah Community has always supported SSU and for that we are beyond grateful. ***This celebration will honor alums from the class years ending in 5’s and 0’s.*** Community friends and businesses are asked to purchase one or more advertisements. ***All ads will be full page ads for \$50!*** Ads can spotlight a family member, and/or a memorial for a deceased person. Additionally, ads of congratulations from your church, place of employment, your business, or a business that you frequent/support are also welcome! Submit camera-ready copy and artwork for ads. Do **not** staple. Please label all photos.

Thank you and we will see you Homecoming Weekend!

ALL ADS WILL BE FULL PAGE FOR \$50.00
